Susan Griffith, Vice President of the Jane Addams Peace Association will be speaking to young humans (ages 8ish and up) about Jane Addams, her work and the Jane Adams Peace Association's Children's Book Award (<http://www.janeaddamschildrensbookaward.org/jacba/>). The Jane Addams Children's Book Award annually recognizes children's books of literary and aesthetic excellence that effectively engage children in thinking about peace, social justice, global community, and equity for all people. A national committee of members with passion for and expertise in children's literature and social justice is responsible for making the choices each year.

We will have the corresponding books available to peruse, or if someone is so inclined... to attain :-)
